PLANNING APPLICATION	**PA2604227-1**
PROPOSAL	**Application to amend planning permit PA2604227-1**
ADDRESS	**1005 Boundary Road, Tarneit**

Mecone continues to act for the applicant in relation to the above Section 72 Amendment. In response to the Department of Transport and Planning's request for further information dated 17 August 2026, we enclose the following:

- Site Layout Plan, prepared by Powercor, showing the location and extent of all additional works on Lot B PS933061B (now formally identified as Lot C PS936507U and Lot D PS936507U), including the AusNet towers and relocated control room. The Plan also shows the boundaries of existing lots, proposed roads and access (including Tiestone Court (R3)), and easements and reserves within and adjoining the sites.
- Certificates of Title for all land affected, including any Section 173 Agreements or restrictive covenants.

In accordance with Section 50 of the *Planning and Environment Act* 1987, we also seek to amend application P2604227-1 to include the following parcels of land within the application land:

- Lot C on Plan of Subdivision 936507U (985 Boundary Road, Tarneit)
- Lot D on Plan of Subdivision 936507U (Boundary Road, Tarneit)

The relevant landowners for the above parcels of land are aware of the amendment, and Mecone understands that they have indicated their in-principle support for the application.

An amended and approved Cultural Heritage Management Plan (CHMP) has also not been provided in response to Item 4, as it remains under assessment by the Registered Aboriginal Party. Once approved, the amended CHMP incorporating the additional land within the Activity Area will be provided to the Department for consideration. We understand this is required to be submitted prior to a decision being made on this Section 72 Amendment.

If you require any further information, please contact the undersigned at [redacted] 8547 9510.

Kind regards,

[redacted]
Senior Planner
