Dear Mr Bock,

Planning Permit PA1600184
10 Tankerton Road French Island VIC 3921

I refer to the above matter submitted to the Minister for Planning C/- Department of Environment, Land, Water and Planning (the Department) on 30 October 2021.

The information you have supplied has met Condition 1, 2 and 27 of Planning Permit PA1600184.

The Department is satisfied that the result of the acoustic report (Cogent Acoustics, 26 July 2021) you have provided is sufficient evidence that the installation of an electronic noise limiter would be a redundant measure. Therefore, the Department accepts that Condition 12 should now be considered to be void.

I remind you of your obligations to the Department as specified in Condition 10, that compliance reports must be submitted to the Gippsland Regional Planning Services office, via email Gipps.plan@vic.gov.au

Please keep this letter with your copy of the planning permit for your records, as evidence of the conditions being met.

Should you have any further queries in relation to this matter please do not hesitate to contact Sharna Foon on telephone 8508 2404 or email Sharna.foon@delwp.vic.gov.au.

Yours sincerely,

Tom Anderson
Acting Manager - Regional Planning Services
