Pre-application meeting details

Have you submitted a pre-application meeting request already for this site? No

Land details

Planning scheme Horsham

At least one location must be provided to submit this form. Options for defining locations are described below:

- **Auto-populate using land titles:** Street addresses are extracted from uploaded land titles (lot on plan and crown allotments are not supported by this feature).
- **Map interface:** Specify up to 300 properties and parcels using search, select and/or a GIS shapefile.
- **Manual entry:** Use this when other methods fail. Locations are accepted as entered and are not system validated.

Upload and scan land titles to automatically populate street addresses

1. Upload documents

2. Scan uploaded documents

- Detected street addresses will be added to the list below.
- You must check and confirm address details are correct.
- Documents are only scanned once. If additional documents are uploaded after a scan, only new documents will be scanned.
- Scanning of documents can take a few minutes to process. You will be unable to edit your application until this process has completed.

Related application PA2000877

Related application type Application for planning permit (including VicSmart)

Application name Wimmera Plains Wind Farm

This application seeks to amend: Current conditions of the permit

Describe the details of proposed changes The Proponent seeks to alter the requirement of Condition 45, relating to the Bird and Avifauna Management Plan (BAM Plan), to remove the requirement as a subplan to the Environmental Management Plan (EMP). The amendment of Condition 45 is sought to enable the endorsement of the BAM Plan separately to the endorsement of the EMP, which is required to be endorsed prior to construction commencing. Instead seeking the BAM Plan to require endorsement 'before operation commences'.

Is this application a combined S96A application (i.e. a combined amendment and planning permit application)? No

Enter the estimated cost of the proposed amended development \$550,000,000

Cost of the permitted development \$550,000,000

Cost difference \$0

What is the current land use? Agriculture
