Dear Sir/Madam

RE: PLANNING PERMIT PA1900677, VSL SKI CLUB 24 (SITE 130) CHAMOIS RD, MT BULLER

I refer to the above matter and advise that I have been informed by the lessee of the above site that they wish to seek an amendment to their existing planning permit. Amongst other things, this (amendment) enables them to demolish the existing timber deck located at the front (north) side of the ski lodge and replace it with a fully enclosed reinforced concrete structure spanning the full width of the lodge and incorporating ski locker and workshop space below the deck.

I confirm that I represent the lessees of the adjoining Site 129 (Malamute) and that I have seen plans illustrating the proposed amended works for VSL Ski Club. There are no objections to the proposed amendment.

If you have any queries regarding these matters, please contact me on 0408 473 496 or email iain@sandringham.com.au .

Yours faithfully

Iain Kirkwood
Company Secretary & Manager
