

Apply for a planning permit

Before you start

Department
of Transport
and Planning

Are you in the right place?

Only applications where the [Minister for Planning is the responsible authority](#) are to be lodged through this portal.

Check the schedule to Clause 72.01 of your [local planning scheme](#) to see which responsible authority issues planning permits for your location.

You will need these documents to submit this application:

- A full, current copy of title information for each individual parcel of land forming the subject site.
- A plan of existing conditions.
- Plans showing the layout and details of the proposal.
- Any information required by the planning scheme, requested by DTP or outlined in a DTP planning permit checklist.
- If required, a description of the likely effect of the proposal.
- If applicable, a current Metropolitan planning Levy certificate.

Fees will apply for this application - [find out about fees for planning applications](#). You need to pay all fees or request a fee waiver before you submit. We accept Credit Card payments online and support EFT payments.

This application will automatically save as you enter information.

Pre-application meeting details

Have you submitted a pre-application meeting request already for this site? Yes

Enter the pre-application number PPA-1184

Land details

Planning scheme Whittlesea

At least one location must be provided to submit this form. Options for defining locations are described below:

- **Auto-populate using land titles:** Street addresses are extracted from uploaded land titles (lot on plan and crown allotments are not supported by this feature).
- **Map interface:** Specify up to 300 properties and parcels using search, select and/or a GIS shapefile.
- **Manual entry:** Use this when other methods fail. Locations are accepted as entered and are not system validated.

Upload and scan land titles to automatically populate street addresses

1. Upload documents

2. Scan uploaded documents

- Detected street addresses will be added to the list below.

- You must check and confirm address details are correct.
- Documents are only scanned once. If additional documents are uploaded after a scan, only new documents will be scanned.
- Scanning of documents can take a few minutes to process. You will be unable to edit your application until this process has completed.

Scan results

Manual location details

It is strongly recommended that you use the map to search and select locations for land related to this request. Manually entering or editing locations could cause delays in your request processing if that location cannot be found.

Application details

Describe your proposal Use and development of the land for a data centre, removal of vegetation and to construct and display signs
