Hi Adrian,

Good to chat with you yesterday.

As discussed, the RMB will undertake the following works on Rodondo Road during summer 2021/2022:

- Minor levelling and drainage to the existing bench and batter
- Gravel surfacing from the Moritz apron, extending beyond the proposed Alpine Rigi crossover

Further to the above, we will include the extent of Rodondo Road in our snow clearing operations once the Alpine Rigi crossover and garage is operational.

Should you require any further information to provide to DELWP (road dimensions etc.) as part of the planning RFI, please don't hesitate to ask.

Kind regards,
