Planner, Development Approvals & Design

Department of Transport and Planning

RE: Application number PA2403077  
Nunawading Christian College Early Learning Centre

Dear Ms McGovan,

With respect to the issue regarding parking spaces for the Early Learning Centre application noted above, I note the following.

I can confirm that the 7 car spaces within the building area are located behind a locked gate and only available to emergency vehicles as required. The 7 spaces identified have not been active car parking spaces for some time due to safety issues within the school boundary.

Please let me know if you need further information,

Yours Faithfully

Mark Roberts  
Business Manager
