A copy of the draft work plan has been given to the referral authorities identified on the attached referral consultation checklist. The referral authorities have provided consent to statutory endorsement of the work plan.

The statutorily endorsed work plan includes information that addresses some of the conditions and comments made by referral authorities. Relevant work plan specific conditions have been applied to address outstanding referral authority requirements.

Heritage Victoria a referral authority under Victorian Planning Provision (VPP) VPP clause e.g. 66.02-8 did not provide a response and has been deemed as to have not complied with section 77TF(1) of the Act and is taken to have not objected to the statutory endorsement of the work plan variation under 77TF(3) of the Act.

Additional agency comments were provided in response to the referral which were endorsed as work plan specific conditions, these can be referenced in the agency referral responses attached for your information

In accordance with the requirements of Clause 66 of the Victorian Planning Provisions, the responsible authority is advised that the Department (in its capacity as a Determining Authority under Section 55 of the *Planning & Environment Act 1987*) has considered the proposal within the last three months prior to the date of this letter and **does not object to the grant of a planning permit** subject to the following condition:

1. Any planning permit conditions imposed do not duplicate or copy the requirements contained within the attached Statutorily Endorsed Work Plan and accompanying conditions.
