RE: CABIN 2 PARCEL D WHITEHORSE VILLAGE

In reference to the DTP suggestion that the new lower level incorporate natural stone as per DDO1 design requirements we understand that this recommendation is not considered mandatory and we agree with the Biosis planning report that this requirement is not relevant as it would detach from the lightweight and recessive nature of the proposed extension and has not been incorporated in any of the existing cabins and proposed extensions.

ADVERTISED PLAN

Yours faithfully,

John Mantesso
Director
