To whom it may concern,

Following my previous email, Grollo Group has lodged a planning permit application to amend planning permit 201529926-6 under Section 72 of the *Planning and Environment Act 1987*.

The application relates to land at Crown Allotment 2017 (referred to as 'Parcel 2017') which forms part of the White Horse Village (the 'Study Area' or 'WHV') in Mount Buller. A certificate of title is attached.

It is proposed to amend the permit preamble and endorsed plans to replace the Café / restaurant building with four Chalets (Proposal) within the original development footprint of Parcel 2017. All other works and activities under the existing permit and endorsed plans will remain unchanged.

Please find attached a copy of the amended plans to be endorsed.

Please take this email as notification to the owner of the land (with Minister for Environment and Climate Action) that Grollo Group is submitting a Section 72 planning permit amendment application for the proposal as explained above.

Kind regards,
