Confirmation of Peer Review

December 2021

2 December 2021

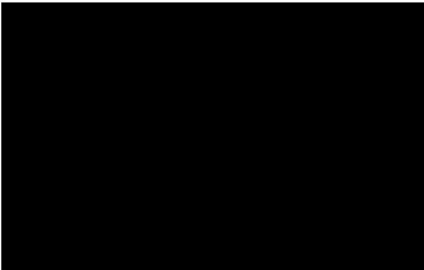

To Whom it May Concern,

This letter is to confirm that Energy Forms has reviewed the planning report and accompanying application material for the amended proposal (December 2021) for the proposed Brewster Wind Farm at 54 Kayleys Lane Brewster, Victoria.

We have reviewed the updated application report against the provisions of the Pyrenees Planning Scheme, the requirements of the *Planning and Environment Act 1987*, and other relevant legislation in relation to a planning permit application. We have made recommendations to ReFuture for updates to the planning report and generally support the outcomes of the assessment.

Should you have any queries in this matter, please don't hesitate to contact Tim Doolan at 0439 787 575 or tim.doolan@energyforms.com.au.

Sincerely,
