OFFICIAL

Hi Helen,

The wall detail provided by Kusch meets our requirements.

Regards  
Fred

You don't often get email from [helen@mountaincreekarch.com](mailto:helen@mountaincreekarch.com). [Learn why this is important](#)

Hi Fred

Kusch have drawn a retaining wall section, for Slalom St where the steps will be removed. I will include this as part of the planning permit application. Could you please confirm that this detail is in line with ARV requirements?

Regards

Hi Helen,

Please see attached engineering advice letter with retaining wall details.

I assume FCAR need to approve the design before it's sent to the builder?

Let me know if there's anything else you require.

Regards,
