Subject: PA2000862 - Section 57A Amendment after Notice - 4785 Western Hwy, Ledcourt

ATTN: Mitchell Connolly, Renewables Team

Good afternoon Mitchell,

As discussed, please be aware that we now formally seek to amend the current planning permit application **PA2000862**.

These changes are detailed in the attached cover letter, and all changes are reflected in the updated supporting documents.

I have been unable to lodge the S57A application via Permits Online, so I now submit all amended documents via e-mail.

Should it preferable, I can replace the original application documents within the Permits Online workspace. However, I will await instruction from DELWP as to the preferred method.

Regards,

Duncan Lewis
