To Whom It May Concern,

Re trees in the vicinity of the proposed MacKillop Senior Centre building proposal

I provide this statement, as requested by the College's architect Clarke Hopkins Clarke, to support the application for a planning permit.

The school commenced operations on the site in 1997. The site was previously farmland. The trees in the vicinity of the building project were planted by school community members over the years.

Please contact me (E: principalsoffice@ignatius.vic.edu.au or P: 03 5251 1136) if you have any questions.

Please find accompanying photos of the trees.

Thank you.

Yours faithfully,

Michael Exton
Principal
