

Apply for a planning permit

Before you start

Department
of Transport
and Planning

Are you in the right place?

Only applications where the [Minister for Planning is the responsible authority](#) are to be lodged through this portal.

Check the schedule to Clause 72.01 of your [local planning scheme](#) to see which responsible authority issues planning permits for your location.

You will need these documents to submit this application:

- A full, current copy of title information for each individual parcel of land forming the subject site.
- A plan of existing conditions.
- Plans showing the layout and details of the proposal.
- Any information required by the planning scheme, requested by DTP or outlined in a DTP planning permit checklist.
- If required, a description of the likely effect of the proposal.
- If applicable, a current Metropolitan planning Levy certificate.

Fees will apply for this application - [find out about fees for planning applications](#). You need to pay all fees or request a fee waiver before you submit. We accept Credit Card payments online and support EFT payments.

This application will automatically save as you enter information.

Land details

Planning scheme

Greater Bendigo

At least one location must be provided to submit this form. Options for defining locations are described below:

- **Auto-populate using land titles:** Street addresses are extracted from uploaded land titles (lot on plan and crown allotments are not supported by this feature).
- **Map interface:** Specify up to 300 properties and parcels using search, select and/or a GIS shapefile.
- **Manual entry:** Use this when other methods fail. Locations are accepted as entered and are not system validated.

Upload and scan land titles to automatically populate street addresses

1. Upload documents

2. Scan uploaded documents

- Detected street addresses will be added to the list below.
- You must check and confirm address details are correct.
- Documents are only scanned once. If additional documents are uploaded after a scan, only new documents will be scanned.
- Scanning of documents can take a few minutes to process. You will be unable to edit your application until this process has completed.

Scan results

Manual location details

It is strongly recommended that you use the map to search and select locations for land related to this request. Manually entering or editing locations could cause delays in your request processing if that location cannot be found.

PLAN**

Application details

Describe your proposal	The proposal is the use and development of land for a utility-scale battery energy storage system (BESS) and associated works and infrastructure.
Is this application a combined S96A application (i.e. a combined amendment and planning permit application)?	No
What is the application trigger?	53.22
Please select the application category	Change or extension of use One or more new buildings Native vegetation removal Other
Enter the estimated cost of any development for which the permit is required	\$416,000,000
Is there a metropolitan planning levy requirement?	No
What is the current land use?	Industry and warehouse Vacant
Describe how the land is used and developed now	The proposed BESS will be predominantly located at 20 Hattam Street, Golden Square, which is currently subject to a multi-lot industrial subdivision by a separate proponent. A separate lot will be created at the south of the site for the BESS. The proposal will also incorporate an existing Council owned road reserve (Coonooer Street) and the land that hosts the existing Bendigo Terminal Station for the purpose of connecting the BESS into the terminal station.
Does this application look to change or extend the use of this land?	Yes
What is the proposed land use?	Utility Installation
Does the proposal breach, in any way, an encumbrance on title such as a restrictive covenant, section 173 agreement or other obligation such as an easement or building envelope?	No
