Dear Michael,

**LETTER OF ADVICE**

CFA advises that the letter issued by CFA on the 17<sup>th</sup> of April 2023, regarding proposed amendments to the conditions for the planning permits PA2001063-1 (Latrobe); PA2001064-1 (Baw Baw); and PA2001066-1 (South Gippsland) for the Delburn Wind Farm contained a typographical error in the following sentence:

“CFA has objection to the proposed planning permit amendment.”

This sentence was intended to read:

**“CFA has no objection to the proposed planning permit amendment”.**

CFA has since re-confirmed that we have no objections to the proposed planning permit amendment in a letter to the Department of Transport and Planning dated 23<sup>rd</sup> August 2023.

Yours sincerely,

**Matt Allen**
