Dear Patrick,

LAND MANAGER CONSENT – HAZELWOOD EAST BESS PROJECT

We refer to your request for Land Manager Consent for the installation of high-voltage power cables and new access within Tramway Road, which is located within a Transport Zone 2 (TRZ2).

Pursuant to Clause 36.04-3 Section 3 of the Planning and Environment Act, requires any person other than a relevant transport manager proposing to carry out works in, on, under or over a road to obtain the consent of the Head, Transport for Victoria prior to submitting a planning application.

This letter only provides the Head, Transport for Victoria consent for the planning permit application associated with the Hazelwood East BESS project at Lot 1 TP547597, Tramway Road, Hazelwood North.

If approved, separate Consent for works within the road reserve, together with an approved Traffic Management Plan (TMP) and Memorandum of Authorisation (MOA) will be required before any works commence on site.

Should you have any enquiries regarding this matter, please contact [redacted]

Yours sincerely

[redacted]

Acting Director, Operations – Planning and Development, Gippsland
