Subject: [EXTERNAL] Consent to Lodge a Planning Permit Transport Zone 1 and 2: Mt Fyans Wind Farm Project

Dear Department of Transport,

Mt Fyans Wind Farm project is proposed for location approx. 5 km north of Mortlake, 200km west of Geelong, within the Victorian Southwest Renewable Zone. This project is proposed for 81 wind turbines and an approx. 19km transmission line to the Mortlake Terminal Station. The site is bisected by the Mortlake-Ararat Road and the Hamilton Highway delineates the southern boundary in parts of the site.

The project lodged a planning application in 2018 and has lodged an updated application in August 2022. DoT Superload and planning staff were been briefed on the project in February 2022, and another briefing for the Superload team will take place on Friday 30 September.

The project plans to conduct works within Transport Zones 1 and 2 as shown in the attached

drawing.

Pursuant to Clause 36.04-3, below, the proponent requests consent to make the application. *An application by a person other than a relevant transport manager on land shown on a planning scheme map as TRZ1 or TRZ2 must be accompanied by the written consent of the Head, Transport for Victoria, indicating that the Head, Transport for Victoria consents generally or conditionally to either:*

- *The application being made.*
- *The application being made and to the proposed use or development.*

For and on behalf of the proponent:
