Winton BESS - 6 Bowers Road, Winton

LETTER OF CONSENT TO LODGE PERMIT APPLICATION

We refer to correspondence from NGH Consulting (Applicant) regarding a proposed planning application for the abovementioned subject address.

We understand that you are requesting consent to lodge a permit for the cabling/connection for the BESS to the AusNet Glenrowan Terminal Station which involves a new 66kV underground cable which would generally extend from the southern portion of the site, beneath a section of the Hume Freeway to include an access point to Bowers Rd also access track to private land. (Proposed Works) within Transport Zone 2.

Pursuant to Clause 36.04-3 of the relevant local Council's Planning Scheme, as the land is within the Transport Zone 2, an application for a permit by a person other than a relevant transport manager must be accompanied by the written consent of the Head, Transport for Victoria (**Head, TfV**).

The Head, TfV hereby consents to the proposed lodgement of the permit application.

Note: that this letter only provides the Head, TfV's consent to lodge a planning permit application and **is not:**

- A referral response where the Head, TfV is a referral authority for the planning permit application.
- The Head, TfV's approval of the development proceeding. Additional approvals from the Head, TfV or other public authorities may be required.

Please note that should a planning permit ultimately be approved, **the applicant is also required to enter into a Licence with HTfV** and comply with the conditions for conducting works within the road reserve . Please see the following link for further details:
